

2020 Silent Auction Request Letter

The Greenwich High School Rugby Team is working towards its 12th State Championship Title, and is currently ranked 6th in the Nation! The team has been invited to both the Gonzaga tournament in Virginia, and the National Championship in Kansas City. Our team of 160 dedicated athletes, puts everything they have into each and every practice and match.

In order to stay competitive at the National level, we depend on our Rugby Family and Friends to support us by volunteering their time and talents whenever possible. The boys have also relied on the generosity of supporters like you, who have consistently supported the team through donations.

We are asking each Rugby Family to donate at least one item to be auctioned off at our Rugby Social Silent Auction on April 4th. The item can be anything from a gift card to Rugby Imports to Box Seats at a Giants game. No donation is too small! Proceeds from the auction will go towards purchasing new uniforms and equipment as well as providing scholarships to players who would otherwise be unable to participate.

Thank you, in advance, for your support of this awesome group of tough ruggers on their season-long journey toward a National Title! We truly appreciate your generosity and support of the team!
GO BIG RED!
